The Oregon Developmental Disabilities Coalition provides DD organizations throughout Oregon the opportunity to work closely with other professionals, self-advocates and leaders in the field.

While members of the Oregon Developmental Disabilities Coalition may represent a variety of perspectives, all are committed to a shared mission to promote quality service and supports which respectfully further the rights, equality, justice, and inclusion for all Oregonians with developmental disabilities and their families.

Only organizations whose mission statement specifies a focus on individuals with developmental disabilities and their families will be considered for membership.

The Oregon DD Coalition typically meets in Salem on the first Tuesday of each month. Leaders of member organizations are encouraged to actively participate in these meetings and in at least one Coalition committee.

The Coalition operates under a formal set of bylaws which includes an outline of member rights, responsibilities and meeting guidelines to promote professional collaboration amongst its members. New members are required to read and agree to these bylaws.
